## Empowering Your Growth - Today and Always

## OUR EXPERTISE

01

### Tax & Compliance

Navigate Complexity  
with Confidence

02

### SME Advisory

Big-Firm Expertise for  
Growing Businesses

03

### Business Setup

Start Strong,  
Scale Smart

## 01. TAX & COMPLIANCE

Taxation and regulatory compliance don't have to be overwhelming. Our team simplifies processes, mitigates risks, and ensures full regulatory alignment.

### Our Expertise

**Corporate Tax and VAT:** End-to-end tax services including registration, tax filing, refunds, tax health checks, and advisories to keep you in full compliance.

**Accounting & Bookkeeping:** Managing books of accounts, MIS reporting, IFRS implementation. Management of monthly payroll, gratuity calculations, pay slips, and ensuring the accuracy of all payroll records.

**Anti-Money Laundering (AML):** Complete AML support with policy creation, sanction checks, regulatory reporting and AML training to safeguard your operations.

**Transfer Pricing:** Documentation and advisory services that ensure cross-border transactions meet international and local compliance standards.

**Labor Law Compliance:** Guidance on UAE labor laws, employment structures, and compliance practices to protect both employer and workforce.

**Audit & Assurance:** Financial and tax audits, internal controls audit and cash flow audits designed to validate financial integrity and enhance operational efficiency.

### Why It Matters

Regulations evolve-our expertise keeps you ahead, so you can focus on business growth without compliance worries.

## 02. SME ADVISORY

We help small and medium businesses think big by providing financial and strategic guidance usually reserved for large operations.

### Our Expertise

**SMEs focused customized packages:** Tailored service packages designed to meet the unique operational, compliance and financial needs of SMEs ensuring flexibility, value and growth ready support.

**Zoho automation solutions:** Implementation and optimization of Zoho CRM and Zoho Books to streamline business processes, enhance customer management, and enable real-time financial tracking through smart automation.

### Why It Matters

At Perspective, we understand the pressure of wearing multiple hats. That is why our solutions help you scale efficiently and confidently.

## 03 . BUSINESS SETUP

Whether you are launching a new venture or expanding into new markets, we handle the compliance so you can focus on your vision.

### Our Expertise

**Company Formation:** Compliant, and seamless incorporation across mainland, free zone, and offshore jurisdictions.

**Visa and PRO services:** Streamlined visa solutions for investors, employees, and dependents, ensuring full compliance with UAE immigration laws.

**Business Consulting:** Strategic guidance on market entry, structuring, and operational planning to position your business for long-term success.

**Corporate Bank Account Opening:** Hassle-free coordination with leading banks to open and manage corporate accounts tailored to your needs.

**Trademark & Intellectual Property:** Protection of your brand and innovations through expert IP registration and advisory.

**Company Liquidation:** Efficient and compliant business closure services that ensures proper deregistration, settlement, and reporting.

### Why It Matters

At Perspective, we understand that the foundation of any business shapes everything that follows. That's why our setup solutions are built to ensure you are compliant, confident, and ready to grow from day one.
